IT'S GOOD TO BE BACK!

## Summer Camps are Coming

It is not too early to start thinking about those summer plans. Pre-registration for summer camps and next fall will be coming soon. Look for more details coming soon

## Thank You

It is good to be back! Thank you to all of our families for the thoughtful gifts at the holidays. We appreciate all of our families.

Also, thanks for remembering to sign up and bring snack. We are good on water so you can hold off until further notice.

## Can you help?

We are interested in having a more balanced count during the week. Please let us know if you would be willing to switch from Wednesdays to Fridays.

## School Events

- Wednesday, January 27<sup>th</sup> - pancake and pajama day. Wear your pajamas and Teachers Millie and Tasha will serve up pancakes for all.

## Dates to Remember

January 18<sup>th</sup> - MLK Day, No School

January 27<sup>th</sup> - Pancake and Pajama Day!

February 15<sup>th</sup> - Presidents Day, No School

## Go Green! Go Paperless!

Our launch to "go green" is in full swing. Have you signed up for our electronic mailing list yet? If not, help us go green by sending an email to: [newsletter@sunnhillspreschool.com](mailto:newsletter@sunnhillspreschool.com). Your email address will be entered into an electronic database so that we can send out newsletters, as well as announcements and reminders. You can also visit our website at [www.sunnyhillspreschool.com](http://www.sunnyhillspreschool.com) to sign up. Your email address will be confidential and not shared with anyone other than Sunny Hills staff.

## Photo of the Month

Do you have a photo you would like to share? Send your submissions to: [newsletter@sunnhillspreschool.com](mailto:newsletter@sunnhillspreschool.com).

## Out and About

Oregon Children's Theater presents Gigggle giggle quack (a musical) of the beloved book. Sat. + Sun's, Jan 30- Feb 21 at 2 pm + 5 pm for tickets call 503-228-9571.

SAMSON: The Colossal T. Rex Discovery - A magnificent 39-foot fossil of one of Earth's most fearsome carnivores will soon be on display in the Earth Science Hall. The 66-million-year-old skeleton known as SAMSON\* is one of the most complete Tyrannosaurus Rex skeletons in existence. 56% of SAMSON's original bones, including the nearly complete skull, will be displayed. Event days: 12/17/09 - 08/31/10. OMSI is located at 1945 SE Water Avenue. Call 503.797.4000 if you need more information. Tickets: Adult: \$11 • Youth: \$9 • Senior (63+): \$9 • Members: Free
